

Harney Hospital FOUNDATION

Here's to the joy of giving and a season that's as beautiful as it is meaningful!

Here's to you for giving to Harney Hospital Foundation (HHF) in support of Harney District Hospital (HDH).

Whether you're a new addition to the Friends of the Foundation or a longtime supporter, we want to express how grateful we are for your patronage.

As we take a look back at 2022, we are so proud of what has been accomplished with the support of this community!

Men's Guild and Women's Circle

We kicked off the year at the Central Hotel with our Men's Guild and Women's Circle. Members of the Men's Guild were able to purchase an Infant Training Manikin for staff to hone their skills. Women's Circle members were able to help infusion patients stay comfortable during their treatments with a new chair that includes heating and massage features.

Skull 120 Gravel Grinder

We spent June trying to throw a party amidst a snowstorm. The Old Time Fiddlers kicked off the after party for the Skull 120 Gravel Grinder bike race and were followed by Red Mabel's jammin' tunes. Thank you to everyone who braved the snow and cold to grab a bite to eat, enjoy a beer from 1188 Brewing, and listen to some talented local musicians.

Glitz + Glam Gala

The event we have been waiting two years to host finally came to fruition this fall. The Glitz + Glam Gala was held Saturday, Nov. 19 at the Burns Elks Lodge. We can't thank everyone enough for attending, donating, and volunteering their time. To say this event

was a success would be an understatement. The live auction and paddle auctions alone raised more than \$13,000. Our amazing sponsors allowed us to bring in some great entertainment. A group of local artists and *Rock Dee House Dueling Pianos* rocked the stage so you could all bring down the house with your dance moves!

Grant awards

After two years of fundraising for a 3D tomography mammography machine (through employee campaigns, small raffle fundraisers, the Skull 120 After Party, many individual donors, and contributions from HDH), we were able to apply for a few grants. HHF was the proud recipient of two matching grants – \$50,000 from the Ford Family Foundation and \$75,000 from the Roundhouse Foundation. With the addition of more than \$16,000 from the Glitz + Glam Gala, The Foundation was able to finalize the purchase of the mammography machine for \$288,688. Thank you all for your support. We couldn't do it without you!

Employee Gift Baskets

To put a bow on 2022, the employees at HDH put together some awesome themed gift baskets to raffle off. HDH staff were able to buy tickets to enter. This year's campaign raised a little more than \$4,000. The funds will go toward the HHF endowment for future equipment purchases. We are so grateful for HDH employees' financial contributions to HHF, and for the great care they provide for our community every day.

Friends of the Foundation

Finally, we'd like to acknowledge the many Friends of the Foundation who give annually. We appreciate this sustained commitment to supporting HDH. Year after year, your gift impacts the growth and development of excellent healthcare in Harney County.

The original meaning of philanthropy was "love of humanity." That love is strong in Harney County! Thank you for a great 2022. We look forward to a glorious year ahead.
